

FUNDRAISING 2010-2011

Attention QVSC Members:

In order to keep registration fees down our club will be doing fundraising. There will be two fundraisers this year for the club.

- The car raffle tickets have already been distributed to each family. Each family is required to sell two books which have already been prepaid with your fundraising deposit. Additional books are available for those who would like to sell more. Our club gets 50 percent of the profit directly and the other 50 percent goes to Sask. Alpine, which we also will benefit from. Thanks to those who have already taken extra books to sell.
- The second fundraiser will be popcorn sales. Each family will have a case of microwave popcorn to sell (32 packages). We ask that each family pick up their popcorn on Saturday, Jan 8 or 15 and prepay for their popcorn. Once again you will keep the money from your sales as you have prepaid. Please make one cheque for 64 dollars payable to the QVSC. You will get labels to stick on the packages to identify the fundraiser and show our appreciation. The profit from the popcorn sales will be about 50 dollars per case.

Next year we will not have the car raffle as Sask. Alpine gets a donated car every second year. We will need your ideas for future fundraising. Please share with us your thoughts and ideas for next season.
